Purpose and Scope of the MOU

The purpose of this MOU is to define the parameters within which education, workforce, economic development, and other PARTNER programs and entities operating in the GNWDA create a seamless, customer-focused American Job Center network that aligns service delivery across the board and enhances access to program services. By realizing AJC opportunities together, PARTNERS are able to build community-benefiting bridges, rather than silos of programmatic isolation. These partnerships will reduce administrative burden and costs and increase customer access and performance outcomes.

This MOU is developed to confirm the understanding of the Parties regarding the operation and management of the AJCs in the GNWDA. The GNWDB provides local oversight of workforce programming for the GNWDA.

The GNWDB, with the agreement of the CEOB, has competitively selected, and/or will select, a One Stop Operator (OSO) for the GNWDA, as further outlined in the OSO section.

The AJC Operating Budget and Infrastructure Funding Agreement (IFA) establish a financial plan, including terms and conditions, to fund the services and operating costs of the GNWDA American Job Center network. The Parties to this MOU agree that joint funding is an essential foundation for an integrated service delivery system and necessary to maintain the GNWDA high-standard American Job Center network.

The Vision, Mission, System Structure, Terms and Conditions, AJC Operating Budget, and IFA outlined herein reflect the commitment of the Parties to their job seeker and business customers, as well as to the overall Greater Nebraska 88 county community.

The goal is to create integrated locations and a unified structure and process of proactive, transparent, and effective job seeker and business services, orchestrated by a seamless collaboration of talent development and support agencies.

The board in coordination with the OSO is committed to cross-training staff on how to assist individuals in general with disabilities and specifically for the blind, making Job Access with Speech (JAWS) screen readers available in each office. All facilities are physically accessible, in compliance with ADA Standards for accessible design. Reasonable accommodations and modifications are provided to individuals with disabilities when administering assessments.

PARTNERS not party to this MOU may receive referrals from AJC required PARTNERS. The OSO will strive to incorporate these PARTNERS into the workforce system and will work to develop processes to streamline and leverage PARTNER services not covered in this MOU.

Procedure Followed by Board

The Administrative Entity, with oversight of the GNWDB, carries out MOU negotiation. The MOU and IFA were developed and/or approved by the the GNWDB. The following principles and guidelines were followed:

- (1) Each MOU will be used as an essential tool for achieving a key goal of WIOA—establishing an integrated and effective workforce delivery system that produces the skilled workers needed by businesses in regional and local economies.
- (2) Each MOU will reflect the shared vision and commitment of the local board, CEO, and AJC Partners to establishing and maintaining a high-quality local workforce delivery system.
- (3) Each MOU will be consistent with the vision, goals, and strategies articulated in the Combined State Plan and the local board's regional and local plan.
- (4) Each MOU will reflect and document in the IFA how each AJC Partner will contribute its proportionate share, relative to the benefit received by its program, for funding of infrastructure and additional costs of local workforce delivery system operations.
- (5) All individuals participating in the development and negotiation of the MOU must negotiate in good faith to reach agreement and bring about a cohesive vision for and successful implementation and maintenance of the local workforce delivery system.

The illustration below depicts the process that was followed, including if a consensus is not reached when negotiating.

(4) Accessibility

Accessibility to the services provided by the American Job Centers and all PARTNER agencies is essential to meeting the requirements and goals of the GNWDA American Job Center network. Job seekers and businesses must be able to access all information relevant to them via visits to physical locations as well as in virtual spaces, regardless of any classification protected under state or federal law.

Physical Accessibility

AJCs will maintain a culture of inclusiveness and the physical characteristics of the facility, both indoor and outdoor, will meet the latest standards of accessible design. Services are available in convenient, high traffic, and accessible locations, taken into account include reasonable distance from public transportation and adequate parking (including parking clearly marked for individuals with disabilities). Indoor space will be designed in an "equal and meaningful" manner providing access for

individuals with disabilities.

Virtual Accessibility

The GNWDB will work with the Nebraska Workforce Development Board to ensure that job seekers and businesses have access to the same information online as they do in a physical facility.

Information must be clearly marked and compliant with Section 508 of the Rehabilitation Act of 1973 (as amended). PARTNERS will comply with the Plain Writing Act of 2010 (Pub. Law 111-274); which requires that federal agencies use "clear Government communication that the public can understand and use" and all information kept virtually will be updated regularly to ensure dissemination of correct information.

PARTNERS should either have their own web presence via a website and/or the use of social media.

Communication Accessibility

Communications access, for purposes of this MOU, means that individuals with sensory disabilities can communicate (and be communicated with) on an equal footing with those who do not have such disabilities. All PARTNERS agree that they will provide accommodations for individuals who have communication challenges, including but not limited to individuals who are deaf and hard of hearing, individuals with vision impairments, and individuals with speech-language impairments.

Programmatic Accessibility

All PARTNERS agree that they will not discriminate in their employment practices or services, and will comply with all applicable local, state, and federal statutes, regulations, and mandates regarding civil rights, equal opportunity employment, and nondiscrimination. PARTNERS must assure that they have policies and procedures in place to address nondiscrimination, and that such policies and procedures have been disseminated to their employees and otherwise posted as required by law. PARTNERS further assure that they are currently in compliance with all applicable state and federal laws and regulations regarding these issues. All PARTNERS will cooperate with compliance monitoring that is conducted at the Local level to ensure that all American Job Center programs, services, technology, and materials are physically and programmatically accessible and available to all. Additionally, staff members will be trained to provide services to all, regardless of range of abilities, mobility, age, language, learning style, or comprehension or education level. An interpreter will be provided in real time or, if not available, within a reasonable timeframe to any customer with a language barrier. Assistive devices, such as screen-reading software programs (e.g., JAWS and DRAGON) and assistive listening devices must be available to ensure physical and programmatic accessibility within the American Job Center network.

(5) Data Sharing

Data Sharing

PARTNERS agree that the use of high-quality, integrated data is essential to inform decisions made by policymakers, employers, and job seekers. Additionally, it is vital to develop and maintain an integrated case management system, as appropriate, that informs customer service throughout customers' interaction with the integrated system and allows information collected from customers at intake to be captured once.

PARTNERS further agree that the collection, use, and disclosure of customers' personally identifiable information (PII) is subject to various requirements set forth in applicable Federal and State privacy laws. PARTNERS acknowledge that the execution of this MOU, by itself, does not function to satisfy all of these requirements.

- Customer data will be kept confidential, consistent with applicable Federal and State privacy laws and regulations.
- All data exchange activity will be conducted in machine readable format, such as HTML or PDF, for example, and in compliance with Section 508 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794 (d)).

**INFRASTRUCTURE FUNDING AGREEMENT
OF THE
MEMORANDUM OF UNDERSTANDING**

**Between
THE GREATER NEBRASKA WORKFORCE DEVELOPMENT BOARD,
THE GREATER NEBRASKA CHIEF ELECTED OFFICIALS BOARD,
and
CENTRAL COMMUNITY COLLEGE**

**Career and Technical Education Programs at the Postsecondary Level
(Carl D. Perkins Career and Technical Education Act of 2006)**

THIS INFRASTRUCTURE FUNDING AGREEMENT (IFA) is entered into between the Greater Nebraska Workforce Development Board (GNWDB), the Greater Nebraska Chief Elected Officials Board (GNCEOB), and Central Community College (PARTNER), upon the date of signature by all such parties.

WHEREAS, GNWDB, GNCEOB, and PARTNER have entered into a Memorandum of Understanding (MOU) with an effective date of July 1, 2023.

WHEREAS, Attachment E to the original MOU is this Infrastructure Funding Agreement (IFA), which is incorporated into and made part of the original MOU.

AGREEMENT:

Premised on the Recitals above, and in consideration of the mutual promises and understandings of the parties set forth below, the parties agree as follows:

I – Overview.

In general, Section 121 of the Workforce Innovation and Opportunity Act (WIOA) requires establishment of one-stop delivery systems, which includes developing and entering into memorandum(s) of understanding with one-stop partners providing services in the one-stop delivery system. Such memorandum(s) of understanding must include provisions describing agreed upon funding of infrastructure costs in accordance with Section 121(h) of WIOA. Provisions on Legal Authority are included in the original MOU, and this IFA is prepared in accordance with such provisions.

II – Infrastructure Costs.

As provided in applicable law and policy, infrastructure costs include non-personnel costs that are necessary for the general operation of the one-stop center. These non-personnel costs include, but are not limited to: applicable facility costs (such as rent), costs of utilities and maintenance, equipment (including assessment-related products and assistive technology for individuals with disabilities), and technology to facilitate access to the one-stop center, including technology used for the center's planning and outreach activities. Common identifier costs may be considered as costs of one-stop infrastructure.

III – One-Stop Partners.

One-stop partners are identified in the "Parties to the MOU" section of the original MOU (One-Stop Partners).

IV – Term and Termination.

This IFA is effective July 1, 2023 through June 30, 2026. This IFA may terminate upon the occurrence of any or all of the following: (a) upon notice from PARTNER of loss of funding source designated to pay costs under this IFA; (b) upon thirty (30) days written notice from one party to the others; or (c) should the IFA be declared void or unenforceable by final order of a court of competent jurisdiction.

V – Amendments.

The IFA may be amended or extended by mutual, written agreement of the parties. Adjustments to Costs to PARTNER determined through the reconciliation process described in Section XI – Cost Reconciliation and Update of this IFA do not require a written amendment to the IFA.

VI – Cost Allocation Methodology.

The parties agree that the cost allocation formula will be based on all Partners' annual reporting of full-time equivalent (FTE) staff assigned to WIOA services on-site at the AJC or off-site via direct linkage for the time period of July 1, 2023 through June 30, 2026. The funds contributed support the resource rooms in the AJC, and comprise the costs of lease, facility maintenance, property and casualty insurance, cleaning services, utilities, and equipment.

VII – Costs to PARTNER or Financial Commitment.

The financial commitment of PARTNER and cost allocation formula which produced the amount is included in the attached document, labeled Funding Matrix, which is incorporated herein, by this reference. The original MOU identifies One-Stop partners, and the Funding Matrix provides the Infrastructure Cost applicable to each One-Stop partner for the period identified on the Funding Matrix. The Funding Matrix will be updated every six months, subject to Cost Reconciliation and Update, as specified in Part XI of this IFA. This will not require an amendment to the IFA or MOU.

VIII – Eligible Contributions.

Contributions may be made in the form of cash, non-cash, or third-party in-kind, as provided and defined in applicable law. The value of non-cash and third-party in-kind contributions must be fairly evaluated in accordance with 2 CFR §200.306.

IX – Method of Payment of Contributions.

PARTNER shall make payment of contributions to GNWDB through the Administrative Entity, Nebraska Department of Labor, Office of Finance (Administrative Entity).

X – Schedule of Contributions.

PARTNER's payments shall be submitted quarterly, unless a different schedule of PARTNER's payments is coordinated with, and agreed to by, the Administrative Entity.

XI – Cost Reconciliation and Update.

Costs to PARTNER, as set out in section VII above, will be reviewed and reconciled against actual costs periodically, as set forth herein.

Reconciliation will take place at least once every six (6) months during the term of the IFA to review the allocation methodology and update the number of customers served to assure that PARTNER's costs are proportionate to the benefit received. Such reconciliation will be completed in accordance with the following process:

PARTNER will provide the GNWDB with the actual number of customers served (per the last day of the last month of the applicable 6 month period) no later than fifteen (15) days after the end of the six month period.

When customer served information is obtained by all One-Stop partners, GNWDB will prepare an updated budget document showing cost adjustments, and will prepare an invoice for each One-Stop partner with the actual costs allocable for the six month period. The timeliness of preparation and submission of invoices and adjusted budgets is contingent upon the timeliness of each One-Stop partner in providing the necessary information to the GNWDB. If PARTNER fails to provide necessary information to GNWDB, then GNWDB shall determine the actual number of customers PARTNER served based on the best information available to GNWDB.

Upon receipt of the invoice and adjusted budget, PARTNER will review both documents and will submit payment no later than thirty (30) days following the date of the invoice. Payment of the invoice signifies agreement with the costs in the adjusted budget.

PARTNER will communicate any dispute regarding costs on the invoice or in the adjusted budget to the GNWDB, in writing. The GNWDB will review the dispute, and respond to PARTNER in a timely manner. When necessary, the Board will update and submit a new invoice upon resolution of the dispute.

XII – Consensus.

The parties will actively participate in IFA negotiations in a good faith effort to reach agreement. The steps to reach consensus are provided in the MOU, under the heading, Procedure followed by Board.

XIII – Dispute and Impasse Resolution; Appeal.

20 CFR §678.755 requires identification of the process to be used among One-Stop partners to resolve issues when consensus cannot be reached. The parties agree that all disputes and impasses shall first be attempted to be resolved informally. Should informal resolution efforts fail; the parties agree to follow the most recent effective State WIOA Policy on Memorandums of Understanding and Funding Agreements (Policy). The GNCEOB will set a Benchmark Date from which dates will be measured in accordance with the Policy.

The parties understand that if an impasse occurs, the State Funding Mechanism (SFM) will take effect, as detailed in the Policy. As stated in the Policy, if the SFM takes effect, written appeals of contribution amounts may be made in accordance with such Policy.

[signature page follows]

All other provisions of the original MOU remain in effect.

ACCEPTANCE PROVISIONS:

IN WITNESS WHEREOF, the parties have executed this Amendment, each duly authorized to do so, effective on the date of signature.
